Mrs. Owoeye
Head, Exceptional Learners Department

Welcome Message

As we enter the final weeks of the school year, we are excited to present to you the second edition of our school's newsletter! This newsletter serves as a platform to celebrate our achievements, reflect on memorable moments, and bid farewell to another remarkable academic year.

Throughout the year, our school community has come together to create a rich tapestry of learning experiences, friendships, and personal growth. This newsletter aims to encapsulate these moments and provide a lasting memory of our remarkable journey together.

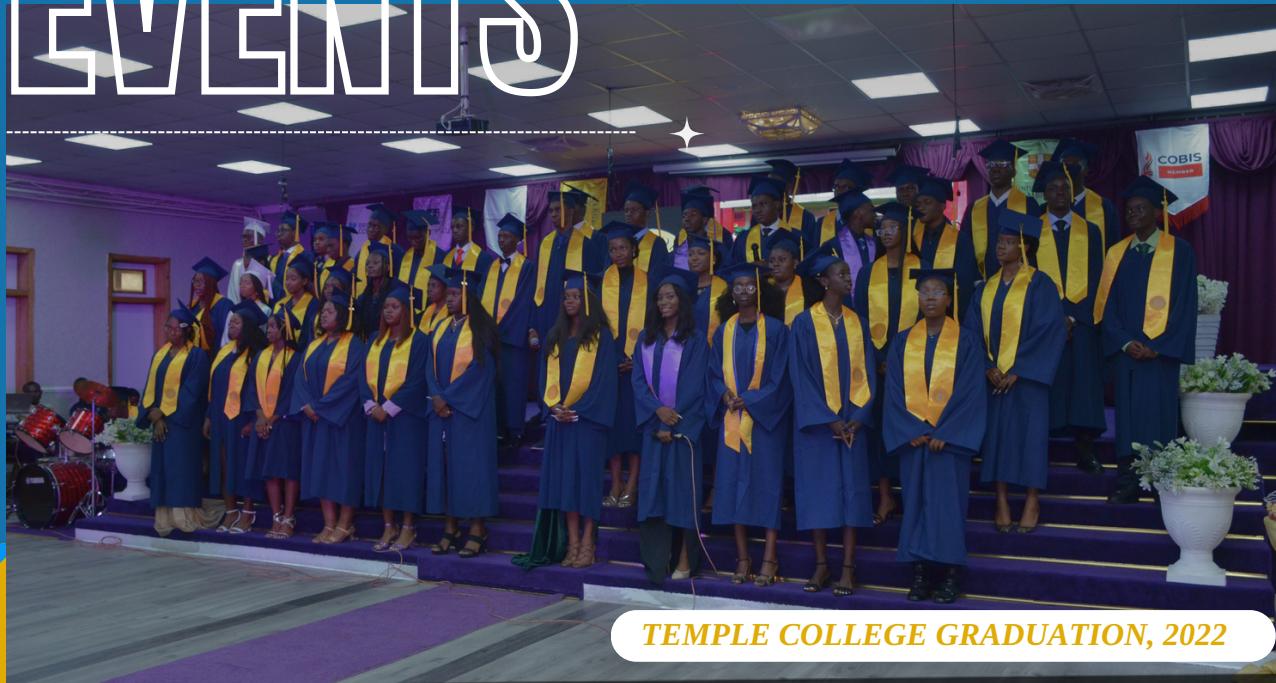

We appreciate all our esteemed parents; your support and engagement have played a pivotal role in the success and growth of our school community. Thank you for your unwavering support throughout the year.

As we conclude another academic year, we reflect on the achievements and growth we have witnessed within our school community. Let us celebrate the successes, embrace the challenges, and cherish our shared moments.

We extend our deepest gratitude to all our teachers and staff members for your passion, creativity, dedication, continued support, and commitment to making our school a nurturing and inspiring environment for our students. We value your feedback and suggestions as we strive to improve and provide you with the best possible experience.

Once again, welcome to the July Edition of Our School Newsletter! Let us celebrate the culmination of a fantastic year and eagerly anticipate the promising future ahead.

SAFEGUARDING IS EVERYONE'S RESPONSIBILITY!

SAFE GUARDING

Temple School's entire philosophy is deeply rooted in an unwavering commitment to the safety and well-being of every child, young person, and adult in Temple School through consistent and effective safeguarding procedures. We expect all staff and volunteers to share this commitment, and we provide equitable opportunities for all our children, regardless of background, religion, or ability.

TP3 SAFEGUARDING COMMITTEE

SAFE GUARDING

CHILDREN DURING THE HOLIDAY PERIOD

Safeguarding children during the holiday period requires a combination of open communication, education, and vigilance. By implementing these tips, you can help ensure your children have a safe and enjoyable holiday experience.

Communicate with your children: Teach them about not restricting danger to only strangers, the importance of staying with a trusted adult, and the importance of not sharing personal information with strangers.

Teach them about emergency contacts: Make sure your children know important emergency contact numbers, including your phone number and the number for local emergency services. Encourage them to memorise these numbers or keep them written down in a safe place.

Keep an updated identification card: Create identification cards for your children with their names, contact information, and any relevant medical information. This can be helpful in case they get lost or separated from you during outings.

Set clear boundaries: Establish rules about where your children can go and with whom they can spend time. Make sure they understand the importance of staying within these boundaries and checking with you before going anywhere.

Supervise online activities: monitoring your children's online activities is crucial. Teach them about online safety, including not sharing personal information, avoiding suspicious links, and reporting any inappropriate behaviour. Monitor your children's social media accounts and their interactions to ensure their safety.

Trust your instincts: As a parent, trust your instincts when it comes to your children's safety. If something feels off or unsafe, do not hesitate to remove your children from the situation or seek help from authorities.

ACCOLADE AWARDS

STAFF OF THE MONTH

Iheukwumere Chidozie

Mr. Iheukwumere Chidozie is a dedicated staff of Temple School. His job includes conveying the secondary school students from the primary section to the secondary school and bringing the primary school pupils back to the primary section in the morning.

He is always cheerful and diligent in carrying out his duties. All the children on his bus are fond of him and have lovely words to say about him.

EXCEPTIONAL LEARNERS DEPARTMENT

AUTISM SPECTRUM COLOUR WALK

Temple School raised awareness during World Autism Month to show that autism does not mean disabled. It means different but able.

We want to build a society that is accepting, supportive and creates equal opportunities for people with autism.

AUTISM SPECTRUM DISORDER

Autism, or Autism Spectrum Disorder (ASD), refers to a broad range of conditions characterised by challenges with social skills, repetitive behaviours, speech and non-verbal communication. The ways in which people with autism learn, think and problem-solve can range from highly skilled to severely challenged. We know that there's no one cause of autism. Research suggests that autism develops from a combination of genetic and non-genetic, or environmental, influences. - (autismspeaks.org)

HOW YOU CAN HELP

- Raise awareness about acceptance.
- Donate to autism foundations and research.
- Provide equal opportunities for people with autism.
- Be kind and helpful to people with autism.

COMMON MYTHS ABOUT AUTISM

- It is caused by vaccines.
- Autism is a disease and is contagious.
- Autism can be cured or outgrown.

THE ISSUES IN NIGERIA

- Autism is one of the most ignored health issues in the country.
- Low awareness and acceptance.
- Inadequate provision for early diagnosis and intervention.
- Diagnosis and intervention are extremely expensive.
- Isolating autistic people due to stigma.

FINANCIAL LITERACY TIPS

**LIVING ON A BUDGET IS AN
IMPORTANT SKILL THAT EVERYONE
NEEDS TO LEARN.**

**HERE ARE SOME WAYS TO
MANAGE MONEY WISELY:**

- Set financial goals by identifying what you want to save for.
- Develop a simple budget by allocating money for different purposes, such as saving, spending, and giving.
- It is important to consciously spend within the budgeted amount.
- It is important to compare prices so as to get the best rates.

- Prioritise needs over wants. One must differentiate between essential items and those that can be gotten later.
- Saving money is essential, set aside a portion of allowances or salary as savings.
- Delay gratification by being patient when saving up for something, instead of buying it impulsively.

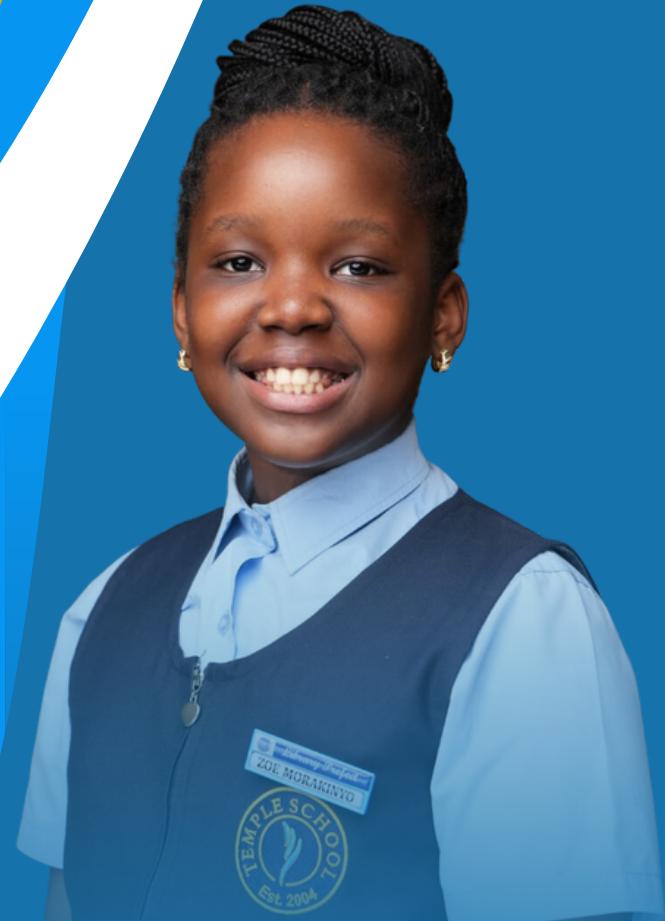

Wise spending is important and cannot be overemphasised.

CONGRATULATIONS!

TEAM PRIMARY

Outstanding Performance

It is with great joy and gratitude that we bring you the wonderful news of the outstanding performance of our Year 6 children.

The Cambridge Checkpoint 2023 results are out, and the children excelled!

Congratulations, Team Primary, on this exceptional accomplishment. Indeed, you took outstanding strides to excellence.

Thank you, and well done, super Year 6 teachers! Your dedication and commitment have made a significant impact on their educational journey.

Outstanding Performance
